# Learn Your System

I.T.T. (INVITE. TOOL. TEAM.)

As a LifeVantage Consultant, you can earn commissions and bonuses based on product sales that you make personally and that are made by your team. Your first step is to connect with others and discover the concerns or challenges they're facing. They you can offer stronger solutions.

Once you know how LifeVantage can help, follow this simple 3-step system to share the products and business opportunity with them.

## 1. INVITE

Ask if they are open to learning more about taking control of their health or their finances. Then ask, "Do you have a few minutes to watch a video?"

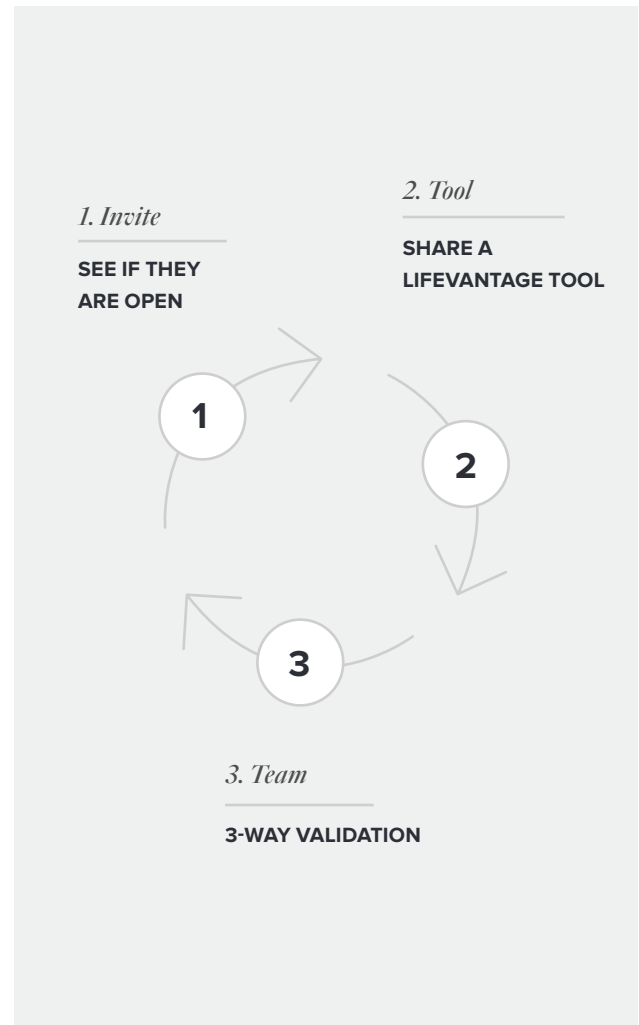

## 2. TOOL

Share a tool. You can find a lot of resources in the LifeVantage App or check in with your Enroller for ideas of what will work best. Follow up within 24 to 48 hours. Ask your prospect, "What did you like about what you saw? Are you open to learning a bit more?"

## 3. TEAM

You don't have to know it all to get started right away. Schedule a 3-way call with an upline teammate. They will know how to talk about LifeVantage in a compelling way and can help answer questions. And you'll be able to learn and build more confidence as you grow.

Ask them, "Hey [Name], I'm glad you loved what you saw. I want to introduce you to my business partner [Name], who will be able to answer all of your questions. What time and day works best for a quick call with them?"

## CLOSING SCRIPTS

1. "Are you clear on what to do next, or do you need my recommendations?"

2. "Do you want to be a Customer or join as a Consultant like me?"

3. "On a scale from 1–10 (1 being not at all and 10 ready to sign up) where do you see yourself?"

## Set Your 3 & 1 Action Plan

Your enrollment month plus first 3 months is your Fast Track Period when you can earn special bonuses. Work toward enrolling at least 3 Customers and 1 Consultant each month to maximize your earnings and start out strong!
